| AUS/UK | 8 | 9 | 10 | 11 | 12 | 13 | 14 |
| USA | 7 | 8 | 9 | 10 | 11 | 12 | 13 |

Notes

Shoes should fit the foot comfortably, but not be too tight. When your heel is in the back of the shoe, there should be at least a thumb's width between your big toe and the end of the shoe. These sizes are a guide only. For the best fit we recommend you visit one of our stores.
